

2016 Finalists – Youth Leadership

Club Mulwala

Kokoda

Club Mulwala was recognised for its strong involvement in the Kokoda Trek Youth Scholarship, sponsoring 12 Yarrowonga College students on a trip of a lifetime which will inspire the next generation of Australians to keep the Anzac spirit alive.

Gosford RSL Club

Our Future Leaders

Gosford RSL has been recognised for its delivery of the Max Potential Youth Leadership program, an initiative that helps young people realise their leadership potential. In the program, students focus on the local community and ways they can improve it. This year, the Club was successful in engaging 30 students and 30 coaches from every local high school in the region.

Moorebank Sports Club

Sporties Supports

The employee-led *Sporties Supports* program is designed to inspire the next generation of leaders to make a positive difference in the community. The program has inspired team members to lead the charge in raising tens of thousands of dollars through numerous means including donating 65 pints of blood to the Red Cross, proudly marching against domestic violence with White Ribbon and planting 100 trees for Planet Ark.

Mounties Group

Kids R Us

Mounties Group's Sub Clubs were approached by Stewart House to support children who have no access to sporting opportunities and basic every day essentials. Keen to help the cause, Mounties Group donated its left-over sporting uniforms to Stewart House including

uniforms from netball, junior soccer, junior rugby league, softball and tee ball. Mounties also holds an annual race day to raise money for Stewart House, which raises over \$73,000 at the 2015 event.

Parramatta RSL Club

Young Men's Health Forum

Parramatta RSL was nominated for its partnership with The Conviction Group, which over the course of last year hosted men's health forums with local schools to tackle social issues including illicit drug use and binge drinking. The first forum, held at the Club, included 8 key note speakers, 300 students from seventeen different Western Sydney schools and 30 small discussions groups

Pittwater RSL Club

Pittwater RSL Club Raising Their Hands

Pittwater RSL Club committed \$15,000 to partner with Raise Youth Mentoring Foundation. The \$15,000 was used to train 10 of the RSL's employees and three RSL Club members to volunteer as mentors at Pittwater High School. The initiative has seen the students gain confidence, learn new leadership skills and get better test results!

Swansea Workers Club

Young Achievers

Swansea Workers Club has been recognised for its young sports achiever's program which celebrates the achievements of the region's talented athletes. The Purpose of the program is to provide positive role models and mentors in youth by highlighting their achievement, culminating in an awards night where the Junior Sports Person of the year is recognised with a \$1000 prize.
